NITRO GREEN

Mineral simple fertilizer based on Nitrogen

CHARACTERISTICS:

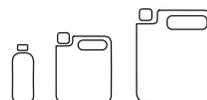

- NITRO GREEN supplies a high quantity of Nitrogen with a good balance between all Nitrogen-salt forms. These elements are very pure and with high quality
- Promotes the growth of the young tissues because Nitrogen is the most important nutritive element of the plant
- NITRO GREEN helps the formation of new vegetation to improve the quality

COMPONENTS:

Total Nitrogen (N) **w/v** 41%

PACKAGING: 1 L, 5 L, 20 L

		CROP	PERIOD OF APPLICATION	DOSE
